MEDIA RELEASE.

FOR IMMEDIATE RELEASE.

Jesse can now walk!

The Lions club of ORMEAU have made a Cerebal Palsy sufferer very excited,
said President of the ORMEAU Lions Club Norm Jenssen,

He explained,

“ When our members heard of young Jesse’s plight they decided to do something about it. We all take the simple task of walking in our stride but for Jesse it was a dream. By the members arranging for a specially made walker for him it has turned his life around.”

In Jesse’s own words,

“To the Lions Club of Ormeau,

Thank you for the walker I recieved as a donation from your club. For those who arent aware my name is Jesse and I have Cerebal Palsy.

Each day was a bit of a struggle to get going and get by. But only since your gift of the walker arrived, each day has been eaiser and I enjoy not only just getting by but the freedom you have given me.

My mother is happier to, she no longer see's me struggle to join in or keep up with other kids. I am very lucky you see, the Lions have given me more than a walker they have also given me legs when mine fail.

You have helped me so, I can only imagine what you do for others.

Thank you for once isnt enough, for the gift you have given me

Jesse & Family.”

“For our members it was a wonderful inspiring moment and it gives us all great pleasure in knowing that by helping out in this way we have fulfilled our LIONS motto,

“WE SERVE.”
